

FY26 Elevate Copilot & Security CSP Deployment Accelerator Pilot approved partners

Updated: June 15, 2026

The Elevate Copilot & Security CSP Deployment Accelerator Pilot enables program partners to support eligible nonprofit and education customers in accelerating their deployment of Microsoft 365 Copilot and select Security workloads on CSP.

The program runs from April 1, 2026, through June 30, 2026, and provides partners with an opportunity to help customers drive faster adoption and realize value more quickly with Microsoft's Copilot and Security solutions.

Note: As new partners join the program, this approved partner list will be updated.
